Art Camp info:

About me:

My name is Melissa Starkweather and I am the new part time art teacher at Bullard Intermediate. I have been teaching art in public schools for 10 years. I also owned my own art instruction business before my husband and I moved to Tyler last year where I taught classes, camps, and birthday parties for all ages.

Camp details:

Camp will be on Thursday afternoons from 3:15- 5:00 pm. Students will sign up by semester for a cost of \$200, all supplies and snacks included. Approx- \$14/class

SPRING dates- January 19th- April 27th (no class during spring break)

Camp Goals:

My goal with this camp is to offer visual art and art history lessons to those who love it but won't get a chance to take art in school, are unable to create at home, or just need more art in their life. Not only am I trying to give access to art but I also want to help them grow as artists and foster their creativity! I'd love the opportunity to get to know the kids and build relationships that can continue into their intermediate years.

Student Sign up:
