Nominations for students to Gifted/Talented Evaluation

January 2017

Dear BISD Parents,

All BISD campuses, grades K-12, have a **special program directed toward students identified as gifted and talented**. During January every year, **nominations for the identification of students who may be gifted** are open. The nominations are for **placement for the 2017-18 school year**. Students may be nominated by any interested person, including teachers, counselors, and parents. Students who are nominated will only be accepted if they qualify as gifted/talented according to the BISD screening policy and the established criteria. Some of the criteria include intelligence quotient, achievement testing, and teacher inventories.

A list comparing the characteristics of bright children with gifted children is attached for your reference. We have many very bright children in our school that may make the "A" honor roll each six weeks, but may not necessarily be gifted. The G/T program, however, is designed to serve those top students who are exceptionally bright (those characteristics on the right side of the page) and show potential for performing at a **remarkably higher level than their peers**.

After reviewing the gifted learner characteristics, **if you feel that your child may be a candidate for the program**, please fill out the nomination form below. **Deadline for nominations is Friday, February 3, 2017**. If you have any questions or concerns, please contact your school or you may contact Jan Hill, Deputy Superintendent at (903) 894-6639. Parents will be notified later in the spring semester of the results.

Sincerely,

Angie Peters	Cheryl Conner	Sherrie D. Moore	Suzanne Cooper	Jessica Phillips	Laura Hunter (Jr/Sr)

This form is due in the counselor's office by Friday, February 3, 2017, if you would like your child to be evaluated for the Gifted/Talented Program.

I nominate my child for Bullard's Gifted and Talented Program, and I give permission (as parent/guardian) for any additional testing. I understand that my child will miss some class time and may have to do make-up work at home in order to complete the extensive evaluation process.
